The Illinois Department of Human Services recognizes the struggle that exists in getting needed cleaning supplies to emergency child care settings. We are working at the state level to find access to PPE and cleaning supplies in bulk, but our efforts have been unsuccessful so far.

We are providing the enclosed official notice with the State of Illinois seal that recognizes emergency child care as a priority essential business. It allows you to ask your local stores and cleaning supply providers to receive prioritized access to needed cleaning supplies. We encourage you to work with local businesses and see if they will possibly hold or allow you to access supplies.

We hope the official notice will be of use to you. Thank you for the continued education and care that you are providing to children of essential workers. We appreciate your commitment.

**I AM A CHILD CARE PROVIDER.**

**I AM PROVIDING EMERGENCY CHILD CARE SERVICES  
TO ESSENTIAL WORKERS AUTHORIZED UNDER THE AUTHORITY OF  
STATE OF ILLINOIS EXECUTIVE ORDER.**

**PLEASE GIVE PRIORITY ACCESS TO PPE AND CLEANING/SANITATION SUPPLIES.**

**EMERGENCY CHILD CARE SERVICES WILL  
CONTINUE TO BE PROVIDED FOR AS LONG AS  
THE GOVERNOR'S *STAY AT HOME*  
EXECUTIVE ORDER IS IN EFFECT.**
