FREE COMPUTER LAB

Did you know that you can complete almost all of your required Health and Safety trainings online?*

If you need access to a computer or need assistance with online training, you can utilize our FREE computer lab here at Community Connection Point.

Our lab is available by appointment OR you can attend any of our pre-scheduled open labs.

CPR and First Aid MUST be taken in a face-to-face setting

TO REGISTER
for one of our pre-scheduled labs or to set up an appointment, please call
